

2009 National Conference Workshop/Panel Suggestion Form

Please fill out this form as completely as possible. If you want to suggest multiple workshops or panels please include them on the same form. If you want to suggest a topic but are either unable to speak to that issue or don't know someone who can, that's ok, we can help find someone. It will be helpful to us regardless to find out what kind of information you want to see presented. Thanks!
